

Cision PR Newswire and DFIN Announce Strategic Partnership to Provide SEC-Compliant Disclosure and Filing

Industry leaders align to provide content delivery and regulatory filing submission options to the investment community

CHICAGO, June 21, 2021 /PRNewswire/ -- Cision PR Newswire and Donnelley Financial Solutions, Inc. (NYSE: DFIN) announced today they have entered into a strategic partnership to deliver press release distribution and regulatory filing submissions to the investment community that meet SEC disclosure and compliance requirements.

"Together, we will drive shareholder interest and market confidence."

The partnership brings together the power of DFIN's suite of financial reporting solutions, including its new ActiveDisclosure, with Cision's global content distribution, compliance, webcasting and IR website management tools. Through this partnership, Cision and DFIN's clients are best positioned to meet SEC regulations and investor relations disclosure requirements.

"We are excited to combine forces with industry powerhouse DFIN. Together, we will drive shareholder interest and market confidence, and our investor relations clients will see value in having a one-stop shop for their SEC disclosure requirements," said Liam Power, SVP of Global Distribution at Cision. "We will provide our clients much-needed support, while reducing the time and effort IROs need to spend fulfilling their compliance and disclosure obligations."

"We are thrilled to be working with Cision. By bringing two great compliance distribution platforms together, we can accelerate business deals and optimize efficiencies," said Craig Clay, president of global capital markets at DFIN. "This is a win-win for our combined clients seeking a unique set of services and solutions. We are looking forward to a long-standing partnership."
